LAVELLI SOPRATOP | *TOP MOUNT SINKS*

Foster ha realizzato una linea di lavelli con bordo alto 25mm in cui ha inciso la speciale texture "made for Quooker".
Questa finitura presente in ogni lavello della collezione permette di ottenere un'armonia estetica perfetta, trasformando lavello e miscelatore in un unico elemento stilistico.
Tutti i modelli e tutte le colorazioni presenti sono "Quooker tested".

Foster has created a sink range with a 25mm high edge featuring the characteristic "made for Quooker" texture pattern.
This finish present in every sink in the collection allorws for perfect aesthetic harmony, transforming the sink and mixer into a single stylistic element.
All models and colors present are "Quooker tested".
